RE: Schulte v. BOP, 20-CV-2795 (PGG)
(GWG)

Clerk of Court,

This is my third attempt to update my address and request an updated docket. My letters have not reached the court - I have not received anything in months. If there are any due dates or missed due dates then I have not been notified. Additionally, I filed a notice of appeal regarding the Court's denial of my request for contemporaneous mail - an ongoing issue that continues to plague this case - but I still have not received anything from the Court of Appeals. Please advise.
